

Kansas Practice Transformation Network

# Learning Event 2019

**May 9**  
**Hyatt Regency**  
**400 W. Waterman St.**  
**Wichita**

## ABOUT THIS LEARNING EVENT

*This event is designed for practices enrolled in the Compass PTN who want to increase their knowledge of tools and resources that can be utilized to improve quality of care and patient health. Attendees include: physicians, physician assistants, nurses, nurse practitioners, practice managers, practice administrators, front-line staff, quality professionals, health care information technology staff, and health care leaders.*

**This event is free to practices participating in the Kansas PTN.**

### Learning Objectives

After completing this event, participants will be able to complete the following objectives:

#### 1. TCPI Update

- Discuss the most recent results of TCPI and identify future opportunities for clinicians and practices.
- Develop an understanding of the impact this transformative work has on the health care system.
- Identify how each practice can contribute to the aims of TCPI during the final months of the model.

#### 2. Getting Ready for the World of Value-Based Reimbursement

- Develop an understanding of Milliman's offerings and resources.
- Discuss the steps necessary to ensure success in value-based reimbursement model.
- Develop an understanding of the various alternative payment models available to providers.

#### 3. Quality in Action Initiative Presentations

- Describe the quality improvement projects of each awardee.
- Identify how each project supports the aims of TCPI and results in overall practice transformation.

*The Kansas Hospital Association is approved as a provider of continuing nursing education by the Kansas State Board of Nursing. This course offering is approved for four (4) contact hours applicable for RN and LPN relicensure. Kansas State Board of Nursing Approved Provider Number: LT 0031-0116.*

*If you need any of the aides or services identified in the Americans with Disabilities Act, please contact the Kansas Healthcare Collaborative directly at (785) 235-0763 or [info@khconline.org](mailto:info@khconline.org). Additionally, if you have any specific dietary needs, please let us know.*

## AGENDA

**12:00 p.m.**      **Registration**

**12:30 p.m.**      **Welcome**

*Kansas Healthcare Collaborative staff*

**12:45 p.m.**      **TCPI Update**

Tom Evans, MD — *Compass PTN, President and CEO*

With the Transforming Clinical Practice Initiative (TCPI) model coming to a close in September, Compass PTN has experienced significant improvements in performance as a result of the transformative work accomplished by practices. Dr. Evans will provide an update on results from Year 3, plans moving into Year 4, along with guidance and feedback received from the Centers for Medicare & Medicaid Services (CMS).

**1:30 p.m.**      **Getting Ready for the World of Value-Based Reimbursement**

Jill Herbold, FSA, MAAA and Anders Larson, FSA, MAAA — *Milliman*

As the U.S. health care system moves from volume to value-based care, clinicians are required to have an increased understanding of value-based purchasing and alternative payment models (APMs). These models provide clinicians the opportunity to earn incentive payments for providing high-quality, cost-efficient care, but require practices to take on risk in a variety of forms. Compass PTN has partnered with Milliman to increase knowledge on these models, assist practices in preparing to take on additional risk, and assess their readiness for participation in value-based reimbursement models.

**3:15 p.m.**      **Break**

**3:30 p.m.**      **Quality in Action Initiative Presentations**

*Quality in Action Initiative Awardees*

- Associated Urologists PA, Manhattan — Rosanna Mitchell
- Holy Family Medical Associates, Wichita — Carolyn Bland, PA-C
- Phillips County Medical Clinic, Phillipsburg — Tara Overmiller
- Caritas Clinics, Kansas City, Leavenworth — Jana Zaudke, MD
- Newman Regional Health, Emporia — Cathy Pimple, MS, APRN
- Salina Regional Health, Salina — Serenity Johnson, MBA, BB
- Valeo Behavioral Health, Topeka — Laura Sidlinger, DNP, APRN-C

Compass PTN launched the Quality in Action Initiative in November 2018. This initiative gave practices the opportunity to identify a quality improvement project within their organization, submit a work plan, develop a budget, and receive funding to support their efforts. Practices who received funding will provide an overview of their quality improvement project.

**4:30 p.m. to  
4:45 p.m.**

**Wrap up and adjourn**

## ABOUT THE FACULTY

The Centers for Medicare & Medicaid Services has launched numerous initiatives to help health care providers achieve large-scale transformation, including moving from volume-based health care to value-based, patient-centered health care. Among them is the Transforming Clinical Practice Initiative (TCPI), which supports more than 140,000 clinicians nationwide in sharing, adapting, and further developing comprehensive quality improvement strategies. The initiative is part the Affordable Care Act and is aimed at:

- Promoting broad payment and practice reform in primary care and specialty care,
- Promoting care coordination between providers of services and suppliers,
- Establishing community-based health teams to support chronic care management, and
- Promoting improved quality and reduced cost by developing a collaborative of institutions that support practice transformation.

There are 31 networks participating in TCPI—including Compass PTN, which is administered by the Iowa Healthcare Collaborative. Compass PTN serves clinicians in Georgia, Iowa, Kansas, Nebraska, Oklahoma, South Dakota, and Wisconsin.

The Kansas Healthcare Collaborative (KHC) is the state lead for Compass PTN. Currently more than 230 practices are participating in the Kansas network. KHC is a provider-led 501(c)3 organization with a mission to transform health care through patient-centered initiatives that improve quality, safety, and value. Founded in 2008 by the Kansas Hospital Association and the Kansas Medical Society, KHC embodies the commitment of these two provider groups to act as a resource and continuously enhance the quality of care provided to Kansans. For more information, go to: [KHOnline.org/PTN](http://KHOnline.org/PTN).

**Tom Evans, MD** — *Compass Practice Transformation Network, President and CEO*

Dr. Evans practiced family medicine for 13 years and served as chief medical officer for UnityPoint Health in Des Moines, Iowa. He has served on the board for the National Patient Safety Foundation and on the delegations for both the American Medical Association and the American Academy of Family Physicians. He served as president of both the Iowa Medical Society and the Iowa Academy of Family Physicians. Dr. Evans is a faculty member with the Institute for Healthcare Improvement, the College of Medicine at Des Moines University, and the College of Public Health at the University of Iowa.

**Jill Herbold, FSA, MAAA** — *Milliman*

Jill has developed an expertise in the analysis of the financial risks associated with the financing and delivery of healthcare services. She routinely works with self-funded groups, insurance companies, managed care organizations, and provider organizations.

**Anders Larson, FSA, MAAA** — *Milliman*

Anders has provided actuarial consulting services to state Medicaid agencies, commercial and Medicaid health plans, self-funded groups, and provider organizations such as ACOs.
