Patty Thomsen joined KHC in June 2018 as a Quality Improvement Advisor. She will work with physician practices primary southeast and east Kansas to assess clinical performance, identify gaps in best practices, and recommend improvement methods to refine patient care procedures and track quality outcomes.

Thomsen's background includes more than 25 years in the health care industry. Most recently she worked as remote nurse reviewer for Health Data Vision, which is based in Glendale, Calif. Before that she was Vice President of Medical Clinics for Coffey Health System in Burlington, where she worked to ensure safe, effective, and fiscally responsible health care delivery and oversaw practice management of five family practice clinics, an orthopedic clinic and an outpatient multi-specialty clinic. She has also worked in several roles at Newman Regional Health in Emporia, as a family practice clinic nurse, and as a school nurse.

Thomsen holds a Bachelor of Science degree in Nursing from the University of Kansas School of Nursing. She is a Registered Nurse and a Certified Case Manager.
