

LEAPING INTO HAND HYGIENE

F.riction

R.ubs

O.ut

G.erms

Do you part...don't get FROGGED!

- **Foam In & Foam Out... ALWAYS**
- **Wash hands with antimicrobial soap and water when hands are visibly soiled or on contact with blood or body fluids.**
- **Appropriate use of gloves**

Here's the deal: If observed not completing appropriate hand hygiene you might get frogged! You can pass the frog badge to someone else **ONLY** if you observe them not completing hand hygiene.
