The Kansas PTN Annual Learning Event is a one-day program available at no charge for participating practices of Kansas PTN and is approved for Continuing Education Credits.

The 2017 event featured practice transformation stories from local Kansas practices, including Coffeyville Regional Medical Center, WesleyCare Family Medicine, and Family Health Care Clinic of Lindsborg.

Special presentations were hosted by nationally recognized speakers, including Tom Evans, MD, President and CEO, Compass Practice Transformation Network; Justin Moore, MD, Health ICT; Patricia Meier, MD Regional Director, Center for Medicare and Medicaid Services; and Kady Reese, MPH, CPHQ, Compass Practice Transformation Network. Additional presentations featured Eric Cook-Wiens, Data and Measurement Manager, Kansas Healthcare Collaborative; and KHC's team of Quality Improvement Advisors.
