

# Readmission Risk Assessment Review Webinar

September 28, 2021  
11:00 AM - 12:00 PM (CDT)

## Overview

Join the Compass HQIC team for a general review of the Compass Readmission Measures. During the hour-long live webinar, readmission risk assessment tools will be explored and Compass HQIC partner hospitals will share how they have successfully implemented a readmission risk assessment.

## Continued Education

1.0 nursing contact hours will be awarded on September 28 for this virtual event by the Iowa Hospital Association, Iowa Board of Nursing Provider No. 4. Iowa nursing contact hours will not be issued unless your Iowa license number was provided at registration. For nursing contact hours to be offered, you must log in individually, your webinar sign-in and sign-out times will be verified. Partial credit will not be granted. Attendees outside Iowa should check with their state Board of Nursing for nursing continuing education requirements.

## Objectives

Review readmissions measures and progress to date in the Compass HQIC network

Identify and describe risk assessment tools that can help improve care transitions and reduce readmissions

Examine strategies peer hospitals have employed to implement a risk assessment in the discharge planning process

# Readmission Risk Assessment Review Webinar

## Event Speakers

### Lana Comstock

Lana Comstock is a clinical improvement consultant for the hospital quality initiatives team at Iowa Healthcare Collaborative. She received her master's degree in science of nursing education, is a Certified Public Manager, a Certified Professional in Healthcare Quality and has LEAN yellow belt certification.

### Erin McGuire

Erin McGuire is a Quality Improvement Advisor at Kansas Healthcare Collaborative (KHC). Her background includes managing and leading programs and quality initiatives. McGuire graduated from Northern Michigan University in 2002 with a bachelor's degree in communication disorders, speech and hearing science.

### Loretta Bryan

Loretta recently joined SDAHO as a clinical improvement consultant. She has been a registered nurse for more than 20 years, with experience in long-term care, home health, clinic and acute-care hospital. She graduated from the University of South Dakota with her associate degree in nursing in 1997. She received her bachelor's degree in nursing from South Dakota State University in 2000.
