### About Summit on Quality

The Summit on Quality is presented by the Kansas Healthcare Collaborative and the Kansas Foundation for Medical Care. The day-long educational summit features two national keynote presenters, four breakout sessions and numerous poster presentations. The breakout sessions and poster presentations are selected through a competitive review process and are an opportunity to spotlight successful quality improvement efforts achieved by Kansas providers.

The Summit on Quality invites participants including physicians, health care executives, clinic managers, quality and risk managers, infection preventionists, patient safety professionals, nurses, and other health care stakeholders from across Kansas to share their experiences in quality improvement and patient safety in their organizations.

KHC is a provider-led 501(c)(3) nonprofit organization with a mission to transform health care through patient-centered initiatives that improve quality, safety and value. Founded in 2008 by the Kansas Hospital Association and the Kansas Medical Society, KHC embodies the commitment of two of the state's leading health care provider groups to act as a resource and to continuously enhance the quality of care provided to Kansans.

KFMC is a member of the Great Plains Quality Innovation Network, the Quality Innovation Network-Quality Improvement Organization for the states of Kansas, Nebraska, North Dakota and South Dakota. KFMC is a 501 (c)(3) nonprofit organization focused on health care delivery in Kansas. Contracted to carry out the work of the Centers for Medicare and Medicaid Services, their role is to work directly with health care providers to develop innovative ways to improve the quality of health care provided to Kansas health care consumers.

## Breakout Sessions

The Summit's agenda includes morning and afternoon breakout sessions. All breakouts are allotted a 60-minute time slot, which includes time for questions. Four breakout sessions will be selected.

Suggested topics include:

- Community/population health
- Creating and sustaining culture change in health care
- Engaging and inspiring leadership
- Innovative use of technology
- Patient and family engagement
- Practice transformation

## Poster Presentation

The poster presentation offers an opportunity for providers to share best practices in patient care on a variety of topics. The poster presentations will be available for viewing during the Summit on Quality.

Suggested topics include:

- Community/population health
- Coordination with post acute care
- Culture and leadership
- Diagnostic errors
- Health care-acquired conditions
- Health equity
- Lean process improvement
- Medication Safety
- Palliative care
- Patient and family engagement
- Patient safety

## Application Submission

Please submit application for poster presentation and/or breakout session to Hayley Finch-Genschorck at the Kansas Hospital Association, [hfinch@kha-net.org](mailto:hfinch@kha-net.org) by Thursday, Feb. 1.

## Presentation Selection

Selected presenters will be notified in early February.

Reviewers evaluate proposals using guidelines that include:

- Practical application of material
- Relevance to identified topic areas
