Session Objectives

Morning Keynote Address, RaDonda Vaught — “When Seconds Change Lives: Patient Safety and System Breakdowns”

Objectives:

1. Describe the impact of human factors & system factors combined on error potential.
2. Discuss the range of feelings providers or nurses can have in the aftermath of a medical error.
3. Assess the course of events following a medication error.

Morning Plenary Session, Kathryn Wire, JD — “Building a Culture of Safety”

Objectives:

1. Describe how an organization’s culture is critical to a strong patient safety program.
2. Interpret safety culture in the context of both Safety I (minimizing adverse outcomes) and Safety II (resilience)
3. Identify and evaluate key components of their own safety program that affect its success

Virtual Storyboard Showcase and Leadership in Quality Awards Luncheon, Malea Hartvickson

Objectives:

1. Identify best practices in quality, patient safety, outcomes and/or equity in health care through virtual storyboard presentations.
2. Exemplify Kansas organizations who demonstrate creative approaches to solving issues that impact patient quality, safety, outcomes and/or equity in health care.

Afternoon Plenary Session, Susan Scott — “Restorative Culture and Peer Support Programs”

Objectives:

1. Describe the second victim phenomenon and organizational strategies to support various stages of second victim healing.
2. Explain key aspects of an organizational strategy to provide a supportive work environment for a care team member suffering as a second victim.
3. Critique organizational assets that support an expedited referral process for individuals requiring mental health expertise.

Afternoon Keynote Address, Alex Weber—“Be the Unstoppable You”

Objectives:

1. Create opportunity to be your best in the most high-stakes situations of stress, pressure, and uncertainty.
 2. Apply challenges as a tool to help you become unstoppable, increasing self belief, confidence, excitement and purpose.
 3. Discuss tools to manage emotions and increase mental well-being.

2024 Summit on Quality Speakers

RaDonda Vaught

RaDonda Vaught was the subject of one of the highest profile health care criminal cases in recent years. While working as a BSN prepared registered nurse, RaDonda committed a medication error that ended the life of a patient in 2017. RaDonda is uniquely qualified to speak first hand on the impact this sentinel event has had on her life and her profession, her patient's life, along with the implications of the legal actions that followed. A passionate advocate for safety and improvement, her story will be one that is not easily forgotten.

Alex Weber

Alex Weber is a top international speaker, American Ninja Warrior, award winning performer for NBC and more. Alex has positively impacted over 3.5 million people worldwide to achieve breakthrough success. Alex believes success is about more than knowing what to do. It's knowing how to do it. With his contagious energy and passion, Alex gives you his unconventional and proven way to take meaningful action, gain competitive ground and achieve record breaking success.

Kathryn Wire

Kathryn Wire has been the Executive Director of the Center for Patient Safety for five years, and before that worked as a consultant and legal advisor for the center since 2009. She began her career as a defense lawyer and moved into health system risk management and safety to solve problems proactively. She is an attorney, a Certified Professional in Patient Safety, and a Fellow of the American Society of Healthcare Risk Management and has worked with providers throughout the healthcare field, helping them address risk and safety concerns.

Susan Scott

Susan Scott, PhD has practiced the art and science of nursing in various clinical settings, including Neonatal ICU, Neonatal/Pediatric critical care transport, ambulatory pediatrics, risk management, and patient safety. Dr. Scott currently works as a Nurse Scientist at the University of Missouri Health Care. Dr. Scott has globally transformed the understanding of the second victim phenomenon, offering knowledge to drive effective strategies for individuals and institutions.

2024 Summit on Quality Speakers Continued

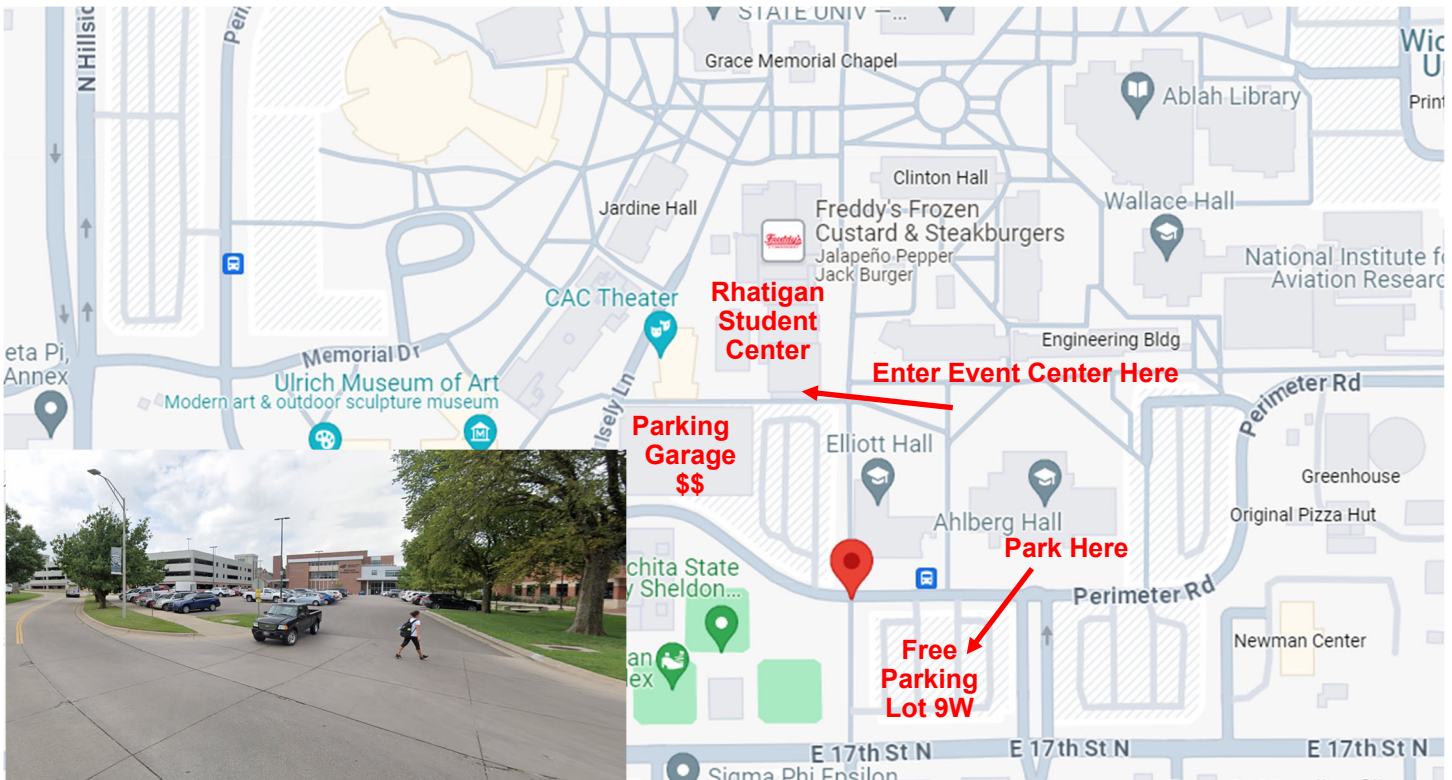

Malea Hartvickson

Malea became KHC's Executive Director in late 2021. She is passionate about helping organizations to provide safe, quality and equitable care to Kansans through the technical assistance KHC provides to clinics, hospitals and communities in Kansas. Previously she was a Program Director leading one of KHC's largest quality and safety initiatives. Prior, Malea was a Quality Improvement Advisor for KHC's Practice Transformation Network, working with medical practices to provide technical assistance in improving health care quality and patient safety.
